

BE AWARE, BE ALERT AND BE SAFE

A new style of Cybercrime has been started by fraudsters. In such frauds, customers get calls asking them to share their OTP in order to postpone their loan EMIs. Once the OTP is shared the amount is immediately siphoned away by fraudsters.

Another way is fraudsters obtain critical information like debit / credit card details and OTP through a mobile app, "Quick Support".

Customer receives a message from fraudster purported to be from Bank, to share contact number and to download an App named "Quick Support", for getting moratorium. Post the above, customer receives a call informing him to enter into the app, the details of the, CVV, ATM , last 6 digits of the debit cards PIN and OTP (which he received after sharing his card details).

Subsequently, money was fraudulently transferred by debiting customer's accounts

Bank will never ask to share PIN, PASSWORD, OTP, Account Number, MPIN, UPI PIN, Debit/Credit card Number, CVV, Card expiry date, Login Ids of any customer. Never respond to such fake calls.

Do not download any unknown applications from links provided in SMS, email, whatsapp, facebook messenger etc.
