The shortlisted applicants are requested to participate during the opening of the financial bids

4. Offer shall be submitted on prescribed Form only (i.e. as per documents issued/downloaded from website) and no other format shall be used. Wherever required, particulars can be submitted in annexure but such details shall be clearly mentioned in respective columns in the original document. All the documents, enclosures, and correspondence will form the part of contract. Offer in any other format other than the prescribed form shall be liable for rejection.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- The Architect shall submit an undertaking in [Proforma E](#) stating that no changes, alterations are made in the offer documents issued by the Bank or downloaded from the website and same is submitted to the Bank.
5. Shortfall of any documents as per guidelines will be intimated through e-mail and the same shall be submitted online in the tender portal.
  6. The **fees quoted** shall be inclusive of all fees / charges payable to the associate Architects, other taxes, TDS etc., **but excluding GST**. Applicable TDS shall be made as per the statutory rules.
  7. The Bank's decision in the selection process is final and Bank will neither entertain any correspondence in this regard nor will be bound to furnish any explanation. The acceptance of a offer will rest with the Bank which does not bind itself to accept the lowest offer and reserves to itself the authority to reject any or all of the offers received without assigning any reason.
  8. Offers which are incomplete in any respect are liable to be rejected.
  9. Canvassing in connection with tenders is strictly prohibited and the offers submitted by the Architects who resort to canvassing will be liable for rejection.
  10. The Architect shall furnish the list of his relatives working in the Canara Bank with their present place of posting in the [Proforma A](#).
  11. The offer shall remain open for acceptance for a **period of 120 days from the date of opening**. No offer can be modified or withdrawn by the Architect after submission of the Bid. If any Architect withdraws his offer before the said validity period or makes any modifications in the terms and conditions of the offer which are not acceptable to the Bank, then the Bank shall, without prejudice to any other right or remedy, be at liberty to **forfeit full value of the Earnest Money Deposit** as aforesaid.
  12. The Architect or their authorized representatives with an authorization letter as per [Proforma B](#), are requested to be present during the opening of the bids. This is optional. Bank will proceed with opening of the technical bids / financial bids on the stipulated date & time unless other wise modified with prior intimation to the Applicants.
  13. It will be obligatory on the part of the Architect to tender and sign the offer documents for all the component parts and pages.
  14. The successful Architect shall execute the agreement as per the conditions of Contract provided in this NIO on a stamp paper of appropriate value within **7 days**

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

from the date of acceptance of the offer. Until a formal agreement on stamp paper is prepared and signed, this offer document along with the correspondence shall constitute a binding contract between the Architect and the Bank/Employer. If the successful Architect fails to sign the agreement within the aforesaid period Bank will be at liberty to **forfeit full value of the Earnest Money Deposit.**

15. On acceptance of the offer, the name of the accredited representative(s) of the Architect who would be responsible for taking instructions from the Bank/Employer shall be communicated to the Bank/Employer.
16. **Conditional offers shall summarily be rejected.**
17. The Architect shall inspect the site to ascertain the site conditions, constraints and any other information required for making the offer. For any assistance for visiting the site / building intending Architects may contact General Administration Section, CO, Vijayawada.
18. During the course of technical evaluation if found necessary the Bank may seek supplementary price bids to bring the evaluation at par and any such price bids shall be prepared and submitted online. Such supplementary price bid shall be opened simultaneously with the original price bid on the prescribed date and taken into consideration in its evaluation.
19. Voluntary submission of the supplementary price bid by the contractor/vendor /tenderer shall not be accepted and supplementary bids shall be limited to the details sought for by the Employer only. Any other un-related price variations furnished in supplementary price bids shall not be recognised and might be liable for rejections if undue information is furnished.
20. In case of other un-qualified Architect (i.e. Architects who fail to comply with the eligibility criteria), EMD shall be returned on notifying as unqualified.
21. In case of unsuccessful Architects (i.e. those Architects who qualify in the technical bid and emerge as unsuccessful in the financial bid) the EMD shall be returned within 30 days of opening of financial bids on submission of their Bank account details.
22. In case of bidder whom works are awarded, EMD will be returned after satisfactory completion of stage 6 IV a and b.
23. Bank reserves the right to call for opinion directly from the clients of the Architects on the work orders and performance certificates or any other matters.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

24. Bank reserves the right to disqualify the Architect if the details furnished by the Architect are found to be false and **forfeit their Earnest Money Deposit.**

25. Earnest Money Deposit is exempted for the Applicants with Udyam registration (MSE)/National Small Industries Corporation Ltd (NSIC) registration, with specific exemptions permitted by NSIC. Necessary proof shall be submitted along with the tender in the Technical bid.

**26. Pre bid queries and clarification to Tender:**

The tenderer should carefully examine and understand the scope of works/ service, terms and conditions of the Tender and may seek clarifications, if required. The tenderer in all such cases seek clarification in writing in a word document (.doc) in the same serial order of that of the Tender by mentioning the relevant page number and clause number of the Tender. The soft copy of the pre-bid queries should be sent by E-Mail to [pecovij@canarabank.com](mailto:pecovij@canarabank.com) and the pre-bid query should be in the following format:

Sl No	Page No	Tender Clause No	Tender Clause	Query

All communications regarding points requiring clarifications and any doubts shall also be given in writing to General Administration Section, Canara Bank Circle Office Vijayawada or by e-mail to [pecovij@canarabank.com](mailto:pecovij@canarabank.com) by the intending tenderers before 18/01/2024 by 05.00 pm. No oral or individual consultation shall be entertained. No queries will be entertained from the tenderers after the pre-bid meeting.

**Pre-Bid meeting:**

A pre-bid meeting of the intending tenderers will be held as scheduled below to clarify any point /doubt raised by them in respect of this Tender document:

Date	Time	Venue
19/01/2024	11.00 am	PREMISES & ESTATE SECTION CANARA BANK CIRCLE OFFICE, VIJAYAWADA D NO.54-15-5, 2 <sup>ND</sup> FLOOR, LAXSHMI AVENUE, SRINIVASA NAGAR BANK COLONY, VIJAYAWADA - 520008

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

Bidders intending to participate in the pre bid meeting should send their request in this regard to the mail: [pecovij@canarabank.com](mailto:pecovij@canarabank.com).

No separate communication will be sent for this meeting. If the meeting date is declared as a holiday under NI Act by the Government subsequent to issuance of RFP, the next working day will be deemed to be the pre-bid meeting day. Authorized representatives of interested tenderers shall be present during the scheduled time.

The Bank will consolidate all the queries and discussions during the pre-bid meeting and the consolidated replies for the queries shall be made available in the Bank's website and no individual correspondence shall be made. The replies/clarification of the Bank in response to the queries raised by the bidder/s, and any other clarification / amendments / corrigendum furnished hereof will become part and parcel of the Tender document and it will be binding on the tenderers.

Non-reply to the queries raised by any of the Tenderer shall not be accepted as a valid reason for non-submission of the Tender. In addition, non-reply to any query may not be deemed the version of the Tenderer as reflected in the query has been accepted by the Bank.

**27. Amendment to Tender document:**

At any time prior to deadline for submission of Tender, the Bank, for any reason, whether, at its own initiative or in response to a clarification requested by prospective bidder may modify the Tender document by amendment. Notification of amendments will be made available on the Bank's website ([www.canarabank.com](http://www.canarabank.com)) and will be binding on all tenderers and no separate communication will be issued in this regard. In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tender, the Bank, at its discretion, may extend the deadline for a reasonable period as decided by the Bank for the submission of tender.

**28. Digital Signature:**

For the purpose of participation in e tender, the intending bidders must have a valid digital signature, active e mail ID and PAN Number. Any intending bidders presently not having digital signature may procure it from any registering Authority (Certified by the Government of India) issuing of such signature.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

**METHOD OF SELECTION OF ARCHITECT**

**Name of work: Selection of Architect for Construction of Holiday Home at Yendapallivalasa, Araku valley**

1. The offers of Architects will be evaluated based on the compliance of the eligibility criteria prescribed in this document.
2. Compliance of all the stipulated eligibility criteria is mandatory for further processing. Compliance of all the stipulated criteria is mandatory.
3. Offers satisfying the prequalification criteria mentioned in the tender only will be short listed. Clear supporting evidence like certificates issued by client's organizations, photographs, signed and stamped copy of relevant documents for aforesaid qualifying criteria need to be uploaded and submitted along with the bid. However, merely fulfilling the prescribed eligibility criteria shall not entitle the Consultant/ Architect for shortlisting and invitation for participation in the proposed price bid submission for the project. The shortlisting as well as final selection of Architect for the project shall be subject to independent verification of credentials, inspection of project sites, calling confidential reports from the present/previous employers etc.
4. The technical details submitted with the offer will be evaluated and assessed by the Selection Committee of the Bank.
5. The bidders shall mandatorily submit a 'Proposal' which shall include a 2 D plan of the proposed construction, elevation, architectural drawings satisfying local bye laws etc. The proposal will be analysed by a committee and shall have a weightage in finalizing the L1 bidder.
6. The bidders will be awarded marks out of total of 100 marks based on the following evaluation criteria: -

SN	Criteria	Maximum Points
a)	Value of largest single project handled in the last 5 years ended as on 31.12.2023 I. Three (3) similar works each costing ₹ 94 Lakhs OR Two (2) similar works each costing ₹ 120 Lakhs OR One (1) similar work costing ₹ 188 Lakhs - [ Mark : 7]	10

3	Quality and efficiency of design (Scale of 1 to 10)	10																		
4	Sustainability, Ease and cost towards Maintenance (Scale of 1 to 10)	10																		
5	Space management, uniqueness of the design satisfying local building rules and front elevation of the proposed design (Scale of 1 to 10)	10																		

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

g)	Experience of consultancy works in GRIHA certified projects (Copy of GRIHA certification shall be attached along with work order)	5
h)	Organizational set up including staff strength, infrastructural facilities (Details to be attached) Consultant / Associated including in-house capabilities for various services (Details to be attached) More than 10 permanent staff - 10 marks 5 to 10 permanent Staff - 5 marks	10
	Projects completed in the area of the project or nearby Centre (i.e. within Andhra Pradesh state) during the last 7 years ended as on 30.11.2023 1. Project cost above 7 crores - 05 marks 2. Project cost above 4 crore - 03 marks	05
	TOTAL	100

7. The Financial bids of all bidders satisfying the **prequalification** criteria will on a pre-notified date & time.
8. The merit rank and the fees quoted will be taken into account for the final selection of the bidder with weightage of 70% for the merit ( ie technical details ) and 30% for the Fee quoted. Fee quoted will be sum of (1), (2) and (3) of Proforma-H. The percentage fee quoted will be converted into Rupee taking into consideration the project cost as ..... The weightage will be applied as per the example given below:

**Example:** Let us assume 3 participating Architects satisfying the prequalification criteria mentioned in (technical bid and their quoted fee is as under:

Sl. No.	Description	Scoring points awarded by the Evaluation Committee	Fee quoted by the agency (Amount in lakhs of Rs. )
1	Architect A	85	20
2	Architect B	80	15
3	Architect C	75	18

The maximum scoring points i.e 85 scoring points will be given 100 percentage and percentage of the other Architects will be worked out on proportionate basis and thereafter weightage of 70% will be applied on marks so obtained. Similarly, the minimum fee i.e Rs.15.00 lakhs will be given 100 percentage and percentage of the other Architects will be worked out on proportionate basis and thereafter weightage of 30% will be applied on marks so obtained. The marks so obtained by all the Architects will be added and the Architect scoring maximum marks will be considered for appointment.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

<b>Marks obtained by Architect A - <math>(85 / 85) \times 70 + (15/20) \times 30 = 92.50</math> marks</b>
<b>Marks obtained by Architect B - <math>(80 / 85) \times 70 + (15/15) \times 30 = 95.88</math> marks</b>
<b>Marks obtained by Architect C - <math>(75 / 85) \times 70 + (15/18) \times 30 = 86.76</math> marks</b>

As per the weightage, the Architect B gets the maximum over all marks and will be considered for appointment on the basis of overall marks.

9. Architects satisfying all the eligibility criteria will be termed as qualifying Architects. Financial bids corresponding to those qualifying Architects will be opened on a specified date and time which will be intimated to those qualifying Architects well in advance. The financial bids of qualified Architects only shall be opened in presence of their authorized representatives as specified.
10. For the purpose of evaluation of bids, the cost of project shall be considered as **Rs. 234 Lakhs.**
11. The qualifying Architects whose fee is competitive & reasonable will be considered for entrusting the services as Architects to the subject work.
12. The decision of the Bank in selection of the Architects shall be final and binding on the participating Architects.

- (viii) "Building/ Project" shall mean proposed Construction of Holiday Home

2. The Architect shall undertake the services by themselves except for the specialist/ service associate consultant and shall not sublet or assign or transfer or sub contract any part of the services.

3. No personnel employed by the Architect or associate consultant for the work will be liable for any sort of compensation or employment in the Bank.

Internal

Page 19 of 56

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

The relationship between the bank and the Architect is strictly in nature of two independent entity (i.e service receiver & service provider). In no event, any injury, loss damage or any other disability or liability to the Architect or any of its worker shall give rise to any liability, action, claim etc. in any form (whether monetary or non-monetary) towards the bank or any of its personnel (whether employed or retired).

**4. NATURE OF WORKS -**

Planning, Designing and Construction of single - storied RCC framed structure building for Holiday Home at Sy. No: 29/1A, Araku Railway Station, Araku Colony post, Araku valley, Visakhapatnam.

- The scope of the work may vary, and the Bank may decide to construct the buildings depending upon the need, available vacant space/ground coverage etc.
- The building should be designed to keep the green building standards to obtain Minimum **3-star certification from GRIHA** for the same.

**5. SCOPE OF WORK, ROLES & RESPONSIBILITIES**

**I PRELIMINARY STAGE:**

The Architect shall:

- Prepare Site survey plan showing contours, features and services and facilities available, general layout of buildings and services, preliminary sketch and designs with drawings, giving details of useful areas, services area, circulation area and total plinth area and cost estimate on format of the Bank to provide information in respect of magnitude of work and its components and services and cost of all such items involved.
- Preliminary planning of all internal and external utility services like water supply, sewerage, storm water drainage. electrical, fire-fighting, acoustics, interior decoration (if required), street/compound lighting landscaping, development plans showing roads, paths, parks, paved areas, drains, culverts, compound walls, external lighting indicating scope, specifications and costs separately of such sub-heads. However, the Bank reserves the right to exclude any of the above services from the scope of the Architect's work. At this stage, preparation of elevation images, perspective views and 3D view (both in hard & soft copy form) showing the external & internal details of the proposed building complex, will be necessary and the same shall be undertaken by Architect at no extra cost.
- Obtain the approval of the Bank to (a) & (b) above and to all computations of all structural designs and all services designs which shall be in accordance with the latest IS Codes of practice and/or the codes of practice applicable in the area,

Internal

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

Town, City where the work is located. Such detailed computations of all designs shall be made available to the Bank in duplicate along with drawings for any check the Bank may like to exercise for scrutiny before sanction of detailed estimates and call of tenders. The Architect shall indicate the names of his Architects for various services and structural designs, their organization, qualifications and experience. The Architect shall be fully responsible for the correctness and accuracy of structural and services designs and the safety of the structure shall be entirely that of the Architect notwithstanding the approval by the Bank of these designs. The Architect and his consultants shall certify in writing that the designs are in accordance with the up-to-date and relevant codes of practice.

- (d) Obtain the approval of the competent authority/statutory body to all Architectural structural and civil/additional work designs, drawing and plans etc. if necessary according to the local Acts, laws, Regulation etc., and make any changes desired by such authorities.
- (e) Programming of work by PERT / CPM/Bar charts, incorporating all activities from planning till completion of the work .This shall include all activities required for completion of the project well in time, i.e., preparation of working drawings, structural drawings, detailed drawings, calling tenders etc. including stages of services to be done by the Architects in coordination with the Architect, work of various contracting agencies etc. and obtaining various service connections.
- (f) Technical assessment of the project, getting done exploration work for deciding safe bearing capacity, depth & type of foundation work through specialized consulting firm (the cost of field and laboratory work will be directly paid to such firm by the bank).

**II. WORKING DRAWING STAGE: -**

The preparation of working and detailed drawings with details incorporating services and schedule of quantities will be involved in this stage. This will include: -

- (a) Preparation of working and detailed architectural and structural drawings and detailed estimate and specifications for all items of the above works including internal and external utility services, along with details of quantities, analysis of rates and details of structural design.
- (b) Obtaining approval of the Bank to above and modify them if considered necessary by the Bank and/or if the cost exceeds the estimated cost by over 5%.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- (c) Obtaining approval of local authorities, if necessary and make any changes required by them.
- (d) Prepare prequalification documents for selection of agencies, prepare according to the approved form of the Bank all contract documents for various trades for calling tenders with articles of agreement, specifications, conditions of contract, special conditions, bill of quantities including analysis of rates based on market rates, time and progress charts, and obtain approval of the Bank to such final document. Bank shall invite the tenders and Architect shall supply adequate number of copies of drawings required to be attached to the tender to clarify the item(s) in the bill of quantities in the tender.
- (e) Scrutiny of the tenders and submission of recommendation on the tenders based on proper analysis of rates, market rates of materials and labour for major items costing about 90% of the cost, evaluation of commercial and other conditions stipulated by tenderers, to assist the Bank in the negotiations with contractors and the final selection of the contractor, prepare contract documents for all trades including drawings, specification etc. complete.
- (f) Submission of complete working details, schedules, specifications and bill of quantities to describe the whole project adequately for the purposes of taking Bank's approval and placing the main and other subsidiary contracts.
- (g) Preparation and submission of model of the work to a suitable scale as and when required by the Bank. The cost of the model shall be approved and borne by the Bank. However, the cost of any computer 3D modeling or walkthrough's for the purpose of presentation shall be borne by the Architect and Bank will not consider any request in this regard.

**III CONSTRUCTION STAGE:-**

- (a) Advising Bank and contractor sufficiently in advance to enable him to get permits, quota certificates, licenses and foreign exchange, if required.
- (b) Assist the contractor to prepare a works progress schedule.
- (c) Supply the contractor such further drawings, specifications and details which may be required for proper execution of the work.
- (d) Obtain Bank's prior approval for any substitution, omission, addition or deviation in design or cost or the working drawings or schedule and specifications or item of work from the approved scheme/contract by working out financial benefit, if any, to the contractor, if total cost of all such exceeds Rs.10,000/-.
- (e) Periodic supervision of the work by the Architect/Architect's consultants to ensure that the work is executed as per drawings, designs and specifications and to certify

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

the same in every bill and certify that the measurements recorded and the bill prepared is in order as per contract agreements for the works.

**IV CONSTRUCTION MANAGEMENT:**

Construction Management services to be provided by the Architect will include:

- (a) Check and approve shop drawings submitted by the contractor.
- (b) Give necessary on site supervision and inspection by employing experienced and qualified Civil/Supervisor approved by the Bank, to ensure that the works are being executed strictly in accordance with the contract, working drawings, specifications and as per programme. The Engineer / supervisor shall be a graduate / Diploma Engineer with at least 3 / 5 years' experience respectively. There shall be at least one full time Engineer / supervisor at site. The duties, responsibilities & powers of Site Engineer / Supervisor are as detailed in clause V, below. The Architect shall furnish the details of credentials to prove the academic & experience records of the site engineer engaged by him to Bank, for its approval.
- (c) Have effective control over quantities and cost of various trades, advise Bank sufficiently in advance with justification if the total of sanctioned expenditure on various item of work is likely to be exceeded.
- (d) Advise Bank if the contract time is likely to be varied and reasons thereof.
- (e) Advise Bank on changes, if necessary, for technical reasons.
- (f) Check contractor's application for payment, evaluation of work completed for interim and final payments and issuing certificates for authorizing payment. Such certificates shall show details of quantities of various items of work which shall be check measured by the Architect in each running bill and certified, abstract of quantities, rates and costs and shall indicate separately advances of materials, if any, or any other advances, recoveries of advances, recoveries of materials used and issued with theoretical consumption and actual consumption of cement and steel etc. for each bill, gross and net amounts payable and shall be specifically certified by the Architect about its correctness and that the work included for payment is as per approved drawings and specifications and measurements have been checked of each item. The Architect shall grant such certificates on the understanding that he shall be held personally responsible for any over-payment, temporary or otherwise, which may occur in consequence thereof or any defective work.
- (g) Certify accounts of work, materials etc.,
- (h) Certify the final completion of work
- (i) Obtain completion and occupation certificates from the local bodies after completion of work and supply the same to the Bank.
- (j) Prepare completion drawings including elevation and sections and structural details indicating details of building and all services and supply completion drawings to the

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

Bank, verify and confirm identification marks on service installation, cables, wires etc., for easy identification.

- (k) Assist the Bank in arbitration, litigation case that may arise out of the contract entered into in respect of the above work.

**V. SITE ENGINEER RESPONSIBILITIES, DUTIES & POWERS**

**V (A) ROLES AND RESPONSIBILITIES OF SITE ENGINEER**

The Site Engineer is responsible for the following:

- a} Obtaining working drawings of the project stage by stage from the Architects and implementing the same after getting them approved by the competent authority.
- b} Ensuring that architectural/structural and other details are made available at the site before the need for them arises.
- c} Ensuring that samples of building materials used in construction, of workmanship and finishes and of fittings are approved by the Competent authority and that their display and safe custody at site are arranged.
- d} Ensuring that the contractor observes laws pertaining to labour and wages paid are not less than the minimum stipulated.
- e} Ensuring that the contractor has taken out the requisite insurance policies to cover workmen under the Workmen's Compensation Act, loss/damage caused by accidental collapse/fire/earthquake (as applicable) to partially constructed work, materials and plant at site and against claims (third parties) for injury/damage.
- f} Ensuring that the work progresses smoothly bottlenecks anticipated and effectively removed with the aim of successfully completing the project within the time schedule.
- g} Ensuring that decisions on various aspects in connection with site works are obtained from Competent Authority well in advance of the actual commencement of the items of work by the contractor including any addition to, or alteration of, substitution to or deletion of or any item or part thereof with or without the incidence of extra items.
- h} Ensuring that instructions received verbally or in writing from the Competent Authority are properly complied with. It shall also be seen that verbal instructions given by visiting officers are confirmed in writing by the concerned officers.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- i} Ensuring that floors under construction are not overloaded with stacks of material or plant.
- j} Ensuring that holes for anchors/conduits/pipes are left in masonry or concrete at appropriate time and anchors/conduits/pipes are embedded or built in as required.
- k} Ensuring that partially constructed work is cased in or protected from damage.
- l} Keeping the Bank informed of the site events regularly.
- m} Maintaining good and healthy relations with and between the various contractors/agencies working at site.
- n} Ensuring that all operations are carried out with complete safety to life and property.
- o} Maintaining safe custody of site records and office equipment.

**V (B) DUTIES OF SITE ENGINEER**

The duties of the Site Engineer are as follows:

- i} To make a thorough study of contract documents, architectural/structural drawings and other details so as to bring out ambiguities/discrepancies between them and to obtain clarification from the Competent Authority well in time to avoid delays.
- ii} To approve the centre-line layout of building pegged out on site by the contractor and the benches for ground floor and other levels.
- iii} To take charge of objects of value and antiquity found on site or in excavations, immediately, after their discovery, to hold them in safe custody and to hand them over to the Competent Authority of the Bank for further action.
- iv} To approve the foundation strata when the appropriate depth of excavation is reached in consultation with the architects.
- v} To ensure that the quality of materials and workmanship as laid down in the contract is maintained and the accuracy of dimensions shown on drawings is attained in the construction.
- vi} To watch the validity of the building permission issued by the Local Authority and to ensure that the revalidation, if necessary, is obtained well in time.
- vii} To arrange periodical reconciliation of cement and steel account.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

viii} To maintain the under noted records at the site of work, in addition to normal routine requirements of an office.

1. Daily Progress Record.
2. Work Site Order Book
3. Instruction by Bank's Officers
4. Cement Statement (Receipt/Consumption/Balance).
5. Steel register/any other costly Material Register.
6. Concrete Pour Reports including Slump Test Record.
7. Concrete Cube Test Register.
8. Test Registers for all kind of material/fixtures with regard to receipt, consumption and balance.
9. Register of Drawings and Working details.
10. Log Book of Defects
11. The Site Engineer should maintain a Hindrance Register giving details of commencement and removal of each hindrance.
12. Dismantled Materials Accounts Register.

ix} To study the quality of approved coarse and fine aggregate and get the design of the concrete mix in accordance with modern practice. The Site Engineer shall ensure that the mix design for RCC work shall be carried out by the Architect/Structural Consultant, if applicable.

x} To record measurements of completed work jointly with the contractor and to process them in running account bills.

xi} To receive running account bills from the contractor and to forward them after checking, to the Competent Authority with his comments and recommendations and accompanied by all supporting documents.

xii} To submit to the Competent Authority the Progress Report fortnightly.

xiii} To watch that the concerned contract does not lapse for want of extension of time. Therefore, to keep it alive and in operation from point of consideration that "Time is the essence of contract".

xiv} To ensure that progress on every contract is in accordance with the appropriate stage of its Time and Progress Chart.

xv} To prevent contractor from proceeding with any work on which the contractor has got intentions of raising claims of extra/deviated items, until the Competent Authority approve the work to continue.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

xvi} To receive the Final Bill from the contractor, to check it, and forward it with his comments and recommendations to the Competent Authority with all the supporting documents duly attached.

xvii} To submit the final summary of costs for the project to the Competent Authority.

xviii} To submit to the Competent Authority authentic information on and the under noted records pertaining to the completed work in order to enable the Competent Authority to finalise them in the due course.

- (a) Record i.e., as completed drawings.
- (b) Record of Standard Measurements for periodical services.
- (c) Inventory of fittings and fixtures.

**V (C ) POWERS OF SITE ENGINEER**

- (d) Powers that Site Engineer can exercise without reference to higher authority (but of which he shall make contemporary note in Daily Progress Record and/or Work Site Order Book and keep Competent Authority informed) are as follows:

i) To give directions to the contractor for the construction of a temporary office for the use of the Site Engineer at Site.

ii} To give direction to the contractor on construction of pillars for centre-lines of layout and benches for ground floor level.

iii} To give notice to the contractor about the use of sub-standard materials and workmanship and warn him that the work is liable to be suspended until such defects are rectified.

N.B. The notice should also state that all work done subsequent to the defective work pointed out shall be liable to be pulled down and rebuilt to the satisfaction of the Site Engineer.

iv} To issue warning to the contractor for work carried out in the absence of supervision.

v} To issue notice to the contractor to suspend work during inclement weather and in circumstances where working would be dangerous to life and property.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- vi} To submit samples of cement and any other materials for testing, when necessary, to an approved laboratory.
- vii} To take concrete Test Cubes from concreting for RCC work and forward them for testing to an approved laboratory.
- viii} To prevent overloading of floors of building under construction and to take appropriate steps for support.
- ix} To intimate to the contractor that he intends to measure up the work.
- x} To issue interim certificate (running account bills) for the value of work done and unfixed materials at site and to effect recoveries for the Bank's materials, jointly with the Architects.
- xi} To certify expenses incurred by the Bank for rectification of contractor's defective work, when the later defaults in doing so, and recovering the same from the contractor's bill.

## 6. ASSOCIATE CONSULTANTS

The Architect shall engage the services of well qualified Specialists in the relevant field as his associate consultants pertaining to the above services and coordinate with them.

The Architect shall indicate the names of his associate consultants for various services and structural designs their organization, qualifications and experience and get the prior approval of the Bank before availing their services by the Architect. The Bank reserves the right to reject the name of any of the associate consultant proposed to be engaged by the Architect

The Architect shall also be responsible for all the work, action, and omissions of such associate consultants. The Architect shall be fully responsible for the correctness and accuracy of structural designs and services designs and the safety of the structure shall be entirely that of the Consultant notwithstanding the approval by the Bank of these designs.

During the course of consultancy, the associate consultant would be required to interact with the Bank for which nothing extra shall be payable.

The fees to the Associate consultants appointed for the above services shall be payable by the Architect, within the overall approved fee payable to the Architect by the Bank

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

including expenses incurred by the associate consultants towards site / office / market visits required in connection with the project.

**7. CONSULTANCY AND CONSTRUCTION MANAGEMENT FEE & FEES FOR OBTAINING THE STATUTORY PERMISSIONS SERVICES**

The Architect shall quote their fees for the professional services towards the Consultancy and Construction Management services in the [Proforma-H](#) (Financial Bid) of this Notice Inviting the Offers (NIO).

The Consultancy and Construction management services fees shall be calculated as percentage quoted (in [Proforma-H](#)) based on the actual cost of works.

The fees quoted by the Architect shall be inclusive of fees payable by the Architect to their associate consultants, site engineer's salary during the execution of the works and other incidental expenses, nothing extra shall be payable by the Bank.

The fees payable to the Architect shall be in full discharge of functions to be performed by the Architect and their associates, site engineers and no claim whatsoever against the Bank in respect of any proprietary right or copy right by the Architect or any other party will be entertained. The Architect shall indemnify and keep indemnified the Bank against all cost and expenses paid by the Bank in defending such claims.

Architect's fee is also inclusive of responsibilities of carrying out modifications, additions in approved designs and drawings, if any, required during execution of work due to site conditions or any other reason.

The fee quoted should include all the services detailed in [clause \(6\)](#) above and all miscellaneous, incidental expenses and compliance of the conditions detailed in this NIO.

The quoted fee is inclusive of all statutory taxes except GST. Income tax as payable as per statutory orders / laws shall be deducted at source. TDS certificate shall be issued for such deductions.

All running / stage Payments made to Architect are on account and shall be adjusted against final fee payable. The running / stage payments will be calculated on the basis of the **latest available** estimates or accepted tendered cost. The final installment of the fees shall be adjusted on the basis of the actual cost of the works subject to the ceiling after deducting the previous payments. For claiming the payment Consultant shall submit necessary bills in duplicate. Payments due to Architect will be made within 15 days of submission of bills of the corresponding stage subject satisfactory performance.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

The fee quoted should include all these services and **Bank shall pay only statutory payments to be made to the statutory/local authorities against demand from such authorities or reimburse the same to the Architect on production of receipts paid in the name of the bank.** The bank may make payments directly to the statutory authorities on demand or on production of receipts towards application fee, deposits and service charges etc. issued by statutory authorities. The fees quoted should include all the above services and it shall also include all miscellaneous and incidental expenses to be incurred for getting approval, NOC"s.

The Consultancy fee quoted is inclusive of and **extension of time** permitted for the works or delay in completion of the works by the contractors.

The duration of payment of Construction management fees shall be based on the actual period of execution. In case of absence of the site engineer, no construction management fee shall be paid for the period of absence.

**8. STAGES OF PAYMENT OF FEE:**

The fee will be paid in stages as specified below, subject to recovery of security deposit as per [clause \(11\)](#) below::

**A. For Consultancy services and Construction Management:**

Sl. No:	Stages	Percentage of Total fee payable
01	On satisfactory completion of Planning & design & Drawing stage ie all items item 5 I (a, b, c, d,e &f) based on the estimated cost	10 %
02	On satisfactory completion of item 5 II (a&b) of the Working Drawing Stage	20 %
03	On satisfactory completion of item 5 II (c) of the Working Drawing stage.	10%
04	On satisfactory completion of item 5 II (d,e,f and g) of the Working drawing stage	15 %
05	Construction stage - On commencement of works by contractors in <b>proportion</b> to the certified value of the bills of the contractor i.e. 5 III( a-e ) and 5 IV (a-g)	40%
06	On satisfactory completion of item 5 IV (h-k) of the Completion stage	5 %

**B. For obtaining statutory approvals:**

Sl. No:	Stages	Percentage of Total fee payable
01	On receipt of plan approval, commencement certificate,	

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

	other preliminary approvals etc.	<b>Upto 50 %</b>
02	On receipt of Occupation Certificate and all other statutory and local body clearances	<b>Remaining 50 %</b>

**C. FOR CONSTRUCTION MANAGEMENT FEE:** The Architect will be paid at ..... per month for providing full time on-site supervision for rendering various services mentioned above from the date of commencement of construction work at site, till completion of the construction work subject to a **maximum period of 12 months**.

**9. COST OF WORKS:**

The cost of work for the purpose of working out of fees shall be the actual cost of works subject to ceiling and shall **exclude** the following: -

- Cost towards the approval / NOC's from statutory authorities (against which receipt is issued by the respective statutory authorities).
- Cost of any fittings and fixtures which are not designed, planned and supervised by the Consultant such as light fittings, fans, Geysers factory assembled AC units etc.
- Any in fructuous expenditure as a result of demolition etc., ordered by the Architect and cost of any rejected work.
- Contingent expenditure like press advertisement, publicity, cost of tender documents etc.,
- Any deviation in the items of work not authorised by the Bank prior to its execution.

In computing the cost of the work for computing the fees, liquidated damages or deduction from the contractor due on account of defective work or other reasons will not be accounted for as deduction in cost.

**10. SECURITY DEPOSIT:**

The successful architect/firm shall deposit an amount equivalent to 2% of the total fee payable as per quote as the initial security deposit. Further, an amount equivalent to 5% of the total amount payable to the Architect shall be deducted progressively from each bill towards security deposit for fulfilling the terms of contract faithfully and honestly. The security deposit will be refunded after the completion of the guarantee period detailed under **clause 17**.

**11. ADDITIONS AND ALTERATIONS:**

- The Bank shall have the right to request in writing changes, additions, modifications or deletions in the design and drawing of any part of the work and to request in writing additional work in connection there with and the Architect shall comply with such request provide necessary services for completion of such works.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- (ii) That if the Bank deviates substantially from the original scheme which involves for its proper execution extra services, expenses and extra labour on the part of the Architect for making changes and additions to the drawings, specifications and other documents due to rendering major part of whole of his work in fructuous, the Architect may then be compensated for such extra services and expenses on quantum merit basis at percentages applicable under this contract and to be determined mutually unless such changes, alteration are due to Architect own omission and / or discrepancies. The decision of the Bank shall be final on whether the deviations and additions are substantial as requiring any compensation to be paid to the Architect. However for the minor modification or alteration which does not affect the entire design, planning etc., no such amount will be payable.
- (iii) If it is found after call of tenders that the tender is not within the sanctioned amount, the Architect shall if so desired by the Bank take steps to carry out the necessary modifications in the design and specifications to see that the tendered cost does not exceed the amount of corresponding sanction by more than 10%. The Architect shall not be paid anything extra for such modification.
- (iv) The Architect shall not make any material deviation, alteration, additions to or omission from the work shown and described in the contract documents except for structural safety and emergencies, without first obtaining the written consent of the Bank.
- (v) The Architect shall also prepare the necessary draft letters for any major changes for Banks approval and execution in accordance with the contract documents and shall have authority to order minor changes in the work not involving any adjustment of the contract sum or any adjustment in contract time and which is not inconsistent with the terms of contract documents.
- (vi) All extra items, omissions deviations and substituted items and their proposed rates shall be brought by the Architect to the notice of the Bank and supported by analysis of rates, statement of financial benefit, if any, to the contractor and Banks approval shall be obtained before authorizing the contractor to execute them, except up to the total cost of ₹ 10,000/- where it is expedient to take such decisions and get them ratified by the Bank.
- (vii) The cost of individual works shall not exceed the sanctioned estimate as approved by the Bank. Bank's approval in advance shall be taken for any such increase anticipated giving full justification.

- d. Completion of services mentioned in [clause 5 II](#) (d) within 7 days from the date of completion of stages 5 II(a&b)
- e. During the construction the services /any clarifications shall be attended and cleared within 5 days unless permitted by the Bank.
- f. All the running bills of the contractors shall be certified within 7 days from the date of receipt of bills. 5 IV(f)
- g. Completion of services as mentioned in [clause 5 IV](#) (h,i and j) within 30 days after completion of the works by contractor.
- h. Assistance in arbitration and Inspection whenever required.

**13. NUMBER OF DRAWINGS SETS ETC. AND COPYRIGHT:**

All the estimates, details of quantities, detailed design, reports and any other details envisaged under this contract including drawings of civil, structural, electrical, water supply, sanitary or other services should be supplied by the Architect without any extra cost. *Apart from submitting the hard copies, soft copies of all the drawings, details, designs shall also be submitted to the Bank for bank's record & future reference at no extra cost.* The Architect shall also provide the following drawings:

- i) All such drawings and copies as are required to be submitted to the local authorities for approval of drawings and for sanctioning all service connections, including all drawings required for resubmissions incorporating any changes or amendments required by such authorities.
- ii) One set of all drawings for the Site engineer.
- iii) One set of all drawings for all other Consultants whether employed by the Architects or the Bank.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- iv) If any changes are made in the drawings already issued, whether by the Architect or as required by the Bank, additional copies of drawings as mentioned in (i) to (iii) above, shall be issued.

All the above details & drawings will become the property of the Bank and the Bank will have the right to use the same for the project. The drawings cannot be issued to any other persons, firm or authority or used by the Architect for any other project. No copies of any drawings or documents shall be issued to any one except the Bank and its authorised representative.

**14. LIQUADATED DAMAGES:**

The time allowed for carrying out the work as specified in [clause-12](#), shall be deemed to be the essence of the contract on the part of the Architect. The work shall throughout the stipulated period of the contract be processed with all diligence and in the event of failure of the Architect to complete their services/ work within time schedule as specified above or subsequently notified to him, the Architect shall pay as compensation amount equal to **0.5 (half) per cent or such smaller amount as the Bank may decide on the total fee payable for every week that the services/work remains unfinished after the specified date subject to a maximum of 10%.** The delays at each stage shall be totaled to arrive at the cumulative delay. The cumulative delays solely attributable to the Architect (including his associates shall be considered while arriving at the delay.

**15. EXTENSION OF TIME:**

If the Architect's work is unavoidably hindered in carrying out the designs / drawings on account of delayed decision or the approval by the Bank which are necessary to carry out further work beyond the time specified under [clause-12](#) above, he shall be allowed suitable extension of time by Bank, whose decision shall be final and binding on the Architect. No claim of any kind shall be entertained from the Architect for such delayed approvals/decisions by the Bank, except request for suitable extension of time.

**16. GUARANTEE:**

The Architect shall agree to redesign at his cost any portion of his engineering and design work, which due to his failure to use a reasonable degree of design skill shall be found to be defective within one year from the date of completion of the work. The Bank shall grant right of access to the Architect to these portions of the work claimed to be defective, for inspection.

The Bank may make good the loss incurred by the Bank by recovery from the dues/security deposits of the Architect in case of failure to comply with the above clause.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

**17. RESTRICTION/SUSPENSION:**

The Bank reserves the right of restricting the Architect's services at any stage and makes other arrangements for continuing the balance services after with-drawing such services from him or suspend the work.

The Bank shall have the liberty to omit, postpone or not to execute any work and / or any item of work and the Architect shall not be entitled to any compensation or damages for such omission, postponement, or non- execution including whole of project of the work and / or any item of work, except the fees which have become payable to them for the services actually rendered by them.

**18. TERMINATION OR RECESSION OF AGREEMENT:**

The Bank without any prejudices to its right against the Architect in respect of any delay or deficient service by notice in writing absolutely determine the contract in any of the following cases;

1. If the Architect being a company by prior notice of 15 working days shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a (Manager on behalf of the creditor shall be appointed or if circumstances shall arises which entitle the court or the creditor to appoint a receiver or Manager or which entitles the court to make up a winding order.
1. If the Architect is not pursuing the project with due diligence within the time lines committed or commits breach of any of the terms of the contract and when the Architect has made himself liable for action under any of the cases aforesaid the Bank shall have powers:
  - a. To determine or rescind the contract
  - b. To engage another Architect to carryout the balance work debiting the Architect the excess amount if any so spent.

In the event of the termination of the contract by the Bank the Architect shall not be entitled to any compensation or damages by reason of such termination, but only to the fees for the service actually rendered, which have been duly approved by the Bank. The decision of the Bank as regards the actual work/ service done and the amount of the fees due to the Architect on the basis of actual service /work done shall be final and binding on the Architect. The Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect.

The Architect shall promptly notify the Bank before making any change in the constitution of his firm. It shall be open to the Bank to terminate the Contract on the

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

death, retirement, insanity or insolvency of any person being Director in the said firm, or on the addition or introduction of a new Director. But until its termination by the Bank as foresaid, this contract shall continue to be in full force and effect, notwithstanding any changes in the constitution of the firm by death, retirement, insanity or insolvency of any of its Director or addition or introduction of any new Director. In case of death or retirement, the surviving or remaining Directors of the firm shall be jointly and severally liable for the due and satisfactory performance and for compliance of all the terms and condition of this contract. In case of the individuals, Legal heirs/administrators shall be liable for the due & satisfactory performance of all the terms and condition of the contract.

**19. ABANDONMENT OF WORK:**

That if the Architect abandons the work for any reasons whatsoever or becomes incapacitated from acting as aforesaid, the Bank may make full use of all or any of the drawings & details prepared by the Architect and that the Architect shall be liable to **refund all the Excess fees paid to him up to that date** plus such damages as may be assessed by the Bank subject to a maximum of 10% of the total fees payable to the Architect under this contract. Further the Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect.

Provided, however that in the event of the termination of the contract being under proper notice as provided in the clause hereinafter, the Architect shall be **liable only to refund any excess payment made to him** over and above which is due to him in accordance with the terms of this contract for the services performed by him till the date of termination of contract.

If the Architect closes their business or abandons the work or if this contract is terminated as provided for in clause 18,19 hereinbefore, the Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect.

**20. ARBITRATION**

That if any dispute, difference or question shall at any time arise between the parties in respect of the meaning or construction of this agreement, or covering anything therein contained or arising out of this agreement, or the validity of the enforcement thereof which cannot be settled mutually, shall within 30 days ( or such longer period as may be mutually, agreed upon) from the date one party informs the other in writing that such dispute or disputes or disagreement exists, be referred to sole arbitration by a person selected by the Architect out of the panel of three names supplied by the Bank and appointed by The General

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

Manager, General Administration Section, Circle Office, Vijayawada within 30 days from such selection by the Architect.

The arbitration proceedings will be conducted in accordance with and be subject to the Indian Arbitration Act 1996 as amended from time to time and the decision of the arbitrator shall be final and binding on the parties.

The Arbitrator will have his seat at Vijayawada or at such places in India as decided by the appointing authority. The Arbitrator may, with the written consent of the parties, extend time for making and publishing the award.

The Architect shall continue to perform his duties with diligence notwithstanding the fact that the dispute has been referred to Arbitration or any dispute or difference has arisen.

It is also the term of the agreement that if the Architect does not make any demand for arbitration in respect of any item in writing within 90 days of receiving intimation from the Bank that the final bill is ready for payment, the claim of the Architect will be deemed to have been waived and absolutely barred and the Bank shall be discharged and released of all liabilities under the agreement in respect of these claims

**21. OTHER CONDITIONS**

- a) The Bank may have the details & designs submitted by the Architect inspected at any time by any officer nominated by the Bank / any external agency who shall be at liberty to examine the records check estimates, structural designs, drawings, works etc. The above inspections by bank, does not absolve the Architect of his responsibility. The Architect shall remain solely responsible for all the services rendered by him.
- b) Green building features shall also be incorporated in the design of the buildings for **GRIHA certification (minimum 3 star)**
- c) Architect shall ensure timely flow of working drawing / instructions. He shall ensure that there is no delay in the execution of work on account of supply of design, drawings and details.
- d) Rendering every assistance, guidance and advice in general to the BANK on any matter concerning the technical aspects of the projects.
- e) The Architect shall be fully responsible for all the services including the technical soundness of the designs.
- f) All instructions to the contractor affecting the rules and provisions of contract shall be issued by the Architect in writing after obtaining proper approval in writing of the Bank and copies of such instructions shall simultaneously be supplied to the Bank.

Selection of Architect for Construction of Holiday Home at Yendapallivalasa

- g) The Architect shall be required to maintain his own accounts for certifying the contractor's bill and progress of work etc. These shall be properly handed over to the Bank before final payment under this contract.
- h) The Architect hereby agrees that the fees to be paid as provided herein (clause 8) will be in full discharge of function to be performed by him and no claim whatsoever shall be against the Bank in respect of any proprietary rights or copy rights on the part of any other party relating to the plans and drawings. The Architect shall indemnify and keep indemnified the Bank against any such claims and against all cost and expenses paid by the Bank in defending itself against such claims.
- i) Notwithstanding the completion of the work as per Contract entered hereto, the Architect agrees and undertakes the responsibility to suitably reply to the Bank's queries that may be raised by any authorised inspection agency of the Bank or the Government of India like CVC or any other departments.
- j) In case it is established that due to fault of Project Architect or external agencies / consultant appointed by the Architect, if the Bank has to pay any extra amount due to over-run of the Project, or any other lapse on the part of project Architect necessary recovery may be effected from the Project Architect/Consultant's fees as per provision of Section 73 of Indian Contract Act 1872 under section 30 of Consultants Act 1972 (Central Act No.20 of 1972) and/or project Consultant/Architect may be debarred from employment for specified period and/or black listed depending on gravity of the lapses on the Project Architect.
- k) If work carried out by the Project Architect or consultants appointed by Architect is found to be sub-standard or un-duly delayed on his account, the bank shall report to Indian Bank Association (IBA) & Public Works Departments (CPWD/State PWD), the misbehavior of the Project Architect and IBA in turn may inform all the member banks, after examining veracity of the Bank's version, not to deal with such Project Architect by way of punishment to him.
