- **LIFE CERTIFICATE THROUGH VCIP:** Vide our Vishranthi Newsletter Vol.31 dated 27.10.2021, we have enumerated various modes/methods for updation of Life Certificate by our Ex-employee pensioners. Salient Features of VCIP Facility:

- The process involves Identification of pensioner, capturing of PAN Card, Adhaar, Signature & location of the pensioner. On completion of VCIP process, Life Certificate will be updated in HRMS package automatically.
- VCIP facility is for pensioners who are residing in India.

2. Pensioner to open the received link, key in their pension account number and select the desired date/time slot for VCIP.
3. Upon successful booking of the slot, the Pensioner will receive an SMS containing the details of the allotted time slot and a **unique link** for joining Video Call for completing VCIP.
4. At the time of allotted slot, pensioner has to open the **unique link** and submit the consent Form by validating it through Aadhaar based OTP to receive the video call.
5. Pensioner will receive the video Call by Employees' Pension Fund Section at the allotted time slot and they have to follow the instructions of the staff for Life Certificate Submission.

➤ **LIFE CERTIFICATE FOR THE YEAR 2021 - PENDING STATUS:**

Majority of our Ex-employee Pensioners/Family Pensioners have submitted their Life Certificate for 2021. However, as on date 1624 pensioners/family pensioners are yet to submit their Life Certificate (LC) for the year 2021 and the list of such pensioners is made available in our Bank's website under Ex-employees section. We once again request these pensioners to submit/update their LCs expeditiously.

➤ **REVISED PPO:**

Consequent to revision in salary/emoluments as per the XI BPS / VIII JN, the revised PPOs to the eligible pensioners have been sent on their email-ids. However, it is observed that still many of the pensioners are yet to update their Email-Id. We advise such of those Pensioners who have not updated their email-id to update the same in their Pension account immediately.
