## Notes:

- The above Financial Results were reviewed by the Audit Committee of the Board and approved by the Board of Directors in the meeting held on 27th May 2016. The same have been audited by the Statutory Central Auditors of the Bank.
- There has been no change in the accounting policies followed during the quarter/year ended 31st March 2016 as compared to those followed in the preceding financial year ended 31st March 2015 except the following:
  - The useful lives of various Fixed Assets (except lease hold buildings and computers) have been assessed by the Bank on the basis prescribed for various assets under Schedule II of the Companies Act, 2013. The useful lives of Server Hardware, Network Equipment and Automated Teller Machines (ATMs) have been assessed to be five years (as against three years determined earlier). In respect of Other Assets forming part of Computers, RBI guidelines have been followed for depreciating them over a period of three years.
  - The Bank has also adopted a policy of charging depreciation during the initial year at 100% of the normal rate for assets ready for use for 180 days or more and at 50% of the normal rate for assets ready for use for less than 180 days during the year. The earlier policy of the Bank was to charge depreciation at 100% of the normal rate during the initial year irrespective of the number of days the asset was ready to use.
  - Depreciation in respect of all Fixed Assets including Building is now provided on Straight Line Method (SLM) as against the Written Down Value (WDV) method adopted in earlier years. This is done to make more appropriate presentation of the financial statements.
  - Consequent to the change, depreciation of prior period amounting to Rs.171.39 Crores has been found to be in excess and the depreciation charged for the year is higher by Rs 72.46 Crores. As a result, the fixed assets and profit before tax are higher by Rs 243.85 Crores.

## Auditors' Responsibility

4. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit of the accounts of the Bank. While conducting the audit we have taken into account the applicable accounting standards and the standards of auditing issued by the Institute of Chartered Accountants of India.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend upon the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements whether due to fraud or error. In making those risk assessments, the auditors consider internal financial control relevant to the Bank's preparation and presentation of the consolidated financial statements that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness on the Bank's internal financial controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Bank's management, as well as evaluating the overall presentation of the consolidated financial statements.
