1	88	Annexure-9	Functional and Technical Requirements	<p>b. Non-Mandatory (Preferred) Requirements</p> <p>A. Customer/ Transaction Screening</p> <p>1. Screening of news media websites for adverse media reports involving bank customer and alert the users.</p>	We understand that Bank will provide the required Watchlist / datafeed for PEPs / Blacklist/ Negative list/ Sanction/ Adverse Media.	Currently Bank is using Lexis Nexis sanction list data. Vendor to provide any other Watchlists as part of their proposal without any additional cost	Since Bank is currently using Lexis Nexis sanction list data, we understand that bank will provide the LexisNexis sanction list for the entire project period of 5 years. Since this has commercial impact, we request bank to kindly confirm on the above understanding.	Bank will provide the sanction list for 5 years. However, Vendor can also provide any other Watchlists as part of their proposal without any additional cost.
