Clarifications on Pre-Bid Queries received till 18.03.2024 by mail and during Pre-Bid Meeting on 19.03.2024

Sl. No.	Firm	Page No.	Tender Clause	Query	Clarification
1.	M/s JMJ Enterprises Ltr dated 18.03.2024	Pg. No. 76	Fixed Special Duty Allowances for Supervising duties (Mandatory only for Ex Servicemen Armed Guard)	Mandatory(Yes/No)	No , only for Supervisor
2.	M/s Sai Security Visions	Pg. No. 3, Para-g		(i) Since this is the closing month for F.Y. 2023-24. We request you to kindly extend the date of Tender submission by the second week of April 2024	(i) Extension granted for tender submission till 02.04.2024 and demonstration on 03.04.2024
		Pg. No. 5, Para-11		(ii) In view of the above para please allow us to submit the declaration that if we have been given an opportunity to serve Canara Bank , Circle Office Ranchi. We assure you we will establish our office as well as service centre within Canara Bank, Circle Office Ranchi territory in two week.	(ii) Yes undertaking is be permitted but Empanelment will be provisional subject to fulfillment of the condition.
				(iii) You are kindly requested to clarify the specification of Fire Extinguisher , so that we can quote the prices accordingly.	(iii) Attached as Annexure
3.	M/s Security Engineers (P) Ltd.	2.	Document Fee- Rs. 590.00 , by the way of non-refundable DD in favour of Canara Bank , Circle Office Ranchi payable at Ranchi	As notified by the Ministry of Micro Small & Medium Enterprises (MSME) of the Government of India , vide Gazette Notification dated 26 March 2012 (which has become mandatory w.e.f. 1 April 2015) bidders registered with The National Small Industries Corporation (NSIC)	Yes, in conformity to govt notification in the matter exemptions will be granted , subject to submission of MSME certificate in the tender, otherwise it will be deemed as incomplete tender without required documents and rejected.

CORRIGENDUM

				<p>Limited under single point registration scheme are entitled to enjoy the following benefits under Public Procurement Policy for Micro and Small Enterprises Order 2012 :</p> <ul style="list-style-type: none"> (i) Issue of tender documents free of cost. (ii) Exemption from payment of Earnest Money Deposit (EMD) <p>Therefore , in conformity to the government norms , it is requested to exempt MSME firms from the payment of the tender document fee.</p>	
		N/A	N/A	<p>No explicit payment terms are outlined in the tender notice.</p> <p>In line with Section 15 of the Micro , Small and Medium Enterprises Development Act 2006 , it is expected that dues to MSME units are settled within 15 days if there is no agreed –upon date of payment , or within a maximum period of 45 days if such a period has been agreed upon. This statutory obligation is further supported by Section 43B(h) of the Income Tax Act , 1961.</p> <p>Under the provisions of the MSME Act , in the case of delayed payment , the buyer is liable to pay compound interest along with with monthly interests to the supplier. Presently the applicable interest rate stands at three times the bank rate as notified by the</p>	Maximum period of 45 days is acceptable and will be advised to all concerned.

CORRIGENDUM

				Reserve Bank of India(vide The Gazette of India,No. 31,dated 16 June 2006). Therefore , we would request that the payment terms be included in consideration of the aforementioned clauses.	
		2	a. Notice inviting applications for empanelment of Security Equipment Service Providers (CCTV Systems, Fire Alarm , Burglar Alarm , Auto Dialer System , Fire Extinguishers & Biometric Access Control System (BACS) etc.)	The tender notice contains no technical specifications and /or BOQ for Biometric Access Control System. Therefore , it is requested to include a BOQ along with a set of technical specifications for Biometric Access Control System. Internal	Attached as Annexure
Queries received in Pre-Bid Meeting held on 19.03.2024					
1.	M/s E-Solutions Technology			(i)Balance Sheet can be submitted for Financial Year 2023-24	(i)Yes, provisional Balance sheet can be submitted apart from last three (3) financial year audited Balance Sheets.
				(ii)Burglar Alarm (a)Sim Card rate not clear (b)Quotation required for 4 zone or 2 zone BAS/FAS	(a) Sim Card rate is for amount required for providing functional Sim Card with data pack for Auto Dialer in Burglar /Fire Alarm. (b) Quotation can be submitted for both in separate columns.
				(iii)Is MSME vendor exempt from Tender Fees & EMD	(iii)Yes, as per govt notification in the matter, subject to submission of MSME certificate in the tender, otherwise it will be deemed as incomplete tender without required documents and

BIOMETRIC ACCESS CONTROL SYSTEM (BACS) TECHNICAL SPECIFICATIONS -- Annexure-1

SN.	Items	Specification
1	BACS with Face + Fingerprint	<ul style="list-style-type: none"> · 4.3-inch LCD touch screen; resolution 480 × 272 · 2MP wide-angle dual lens camera; support DWDR, white light fill light and IR fill light · Support face, card, password ,fingerprint unlock and unlock through their combinations; support unlock by period · Support QR code unlock for visitors · User data can be stored at the access controller; can hold 6000 face images and work without network · Face-camera distance: 0.3 m-1.5 m · Face verification accuracy 99.5%; face comparison speed 0.3s per person; low false recognition rate; supports liveness detection; support anti-fake
2	BACS without Fingerprint (with Face)	<ul style="list-style-type: none"> · 4.3 inch glass touch screen with a resolution of 480 × 272. · 2-MP wide-angle dual-lens camera with IR illumination and DWDR. · Multiple unlock methods including face and password. You can also combine them to create your own personal unlock methods. · Supports mask detection. · Supports visitor QR code with DSS Pro Platform. · Recognizes faces 0.3 m to 1.5 m away (0.98 ft-4.92 ft). · Supports 3,000 users, 3,000 faces, 3,000 passwords, 5,000 cards, 50 administrators, and 300,000 records. · Liveness detection has a face recognition accuracy rate of 99.9% and the 1:N comparison time is 0.2 s per person. · Supports making video calls and using the app to receive alarm notifications, remotely unlock doors and to perform other tasks. · Supports customization of voice prompts.
3	BACS with only Fingerprint	<ul style="list-style-type: none"> · Material: Zinc alloy plate · Support card unlock, fingerprint unlock, and card&fingerprint unlock · Card reading frequency is 13.56MHZ; card reading distance is 1cm–3cm · Support both RS-485 protocol and Wiegand protocol · IP65, IK10 · Fingerprint Capacity: 3,000 · Support duress alarm, tamper alarm, intrusion alarm, door contact timeout alarm, and illegal card exceeding time alarm · Support guest card, patrol card, VIP card, general user card, and card for the disabled
4	Magnetic Lock	<ul style="list-style-type: none"> 280KG Anti-pull. · Built-in reverse current protection device(MOV). · Aluminum shell with high strength alloy material. · Electromagnetic suction work completely, there is no mechanical failure. · Can be set DC12V or DC24V. · The residual magnetic design proof, wear materials. · Double lock body insulation treatment. · Supports door detector signal feedback.
5	Exit button	<ul style="list-style-type: none"> Features · Professional circuit design, no mechanical failure · Use fire fire retardant material , convenient installation · 500,000 times fatigue test and durability · Access control project designated accessory products
