Item shall also include supply and installation of frosting film of approved make with approved artwork. Film shall be self-adhesive with bubblefree installation to be done on clean glass.				
C1d.	Single skin partition above ceiling with laminate	#REF!	Sq. Ft.		
	Providing and fixing single skin partition as per details on Sr. no.1 but skin on only one face i.e. outer side of the frame above false ceiling, finished with 1 mm thk high gloss laminate where false ceiling is provided only on one side. Partition shall be fixed in such a manner to prevent any vermin / rodent intrusion from any side over the false ceiling.				
C1e.	Cash Cabin Partition (Height 7'-6") Providing and fixing both side laminated Solid partition for cash cabin using framing, MDF and laminate as per details mentioned in SI. No.1. The partition shall be solid till 4'-0" height and thereafter an opening of 2'-6" Height & 2'-6" width (or of appropriate size as per site requirement) for Aluminium Decorative Grill (12mm thick having hexagonal openings) which shall be provided with double sided 2 coat melamine polished teakwood beading. Rest of the height shall be solid partition till the height of 7'-6" from the finished floor. All exposed edges of partition shall be fixed with teakwood lipping of appropriate thickness (75mmx75mm thick sections or as per site) enough to cover the entire exposed edges and frame opening for aluminium grill / doors chowkhat / windows etc with 2 coat melamine polish.	135.00	Sq. Ft.		
	The rate quoted must be inclusive of the 32-35mm thick door (Size - 7'-0"x3'-0") made with MDF / board of approved make with 1.0 mm thick high gloss laminate pasted over MDF along with skirting and top band on both sides of the door as per bank's colour scheme along with making 6mm thk glass opening of size 18"(W) X 48"(H) positioned at the horizontal centre & 5'-0" height for visibility with proper teakwood framing and polishing. The exposed edges of the door must be finished with teakwood lipping with 2 coats of melamine polish. Item shall also include supply and installation of frosting film of aproved make with approved artwork. Film shall be self-adhesive with bubblefree installation to be done on clean glass.				
	A 2" deep slip tray made of 6mm thk MDF covered with 1.0 mm thick white high gloss laminate with edges finished with teakwood beading and 2 coats of melamine polish to be affixed at a height of 4'0" from the finished floor on the side partition adjacent to the passing Officer's counter at an appropriate slot to ensure convenient usage by both staff members. The slip tray must be 6" wide 10" long and must be positioned such that it must be emanating 4" on either side of the partition. The front edges of the partitions i.e., the edges visible to the customers, shall be finished with 1.0mm thick laminate of Canara Bank Blue shade. The rate quoted must also include installing / affixing all necessary fittings like 4 Nos. SS Butt Hinges (100mm long x5.5mm thk), screws, Hydraulic Door Closer, Night latch, SS Handles on both sides & Brass Door Stopper etc as per approved makes.				
C1f.	Solid Partition (Full Ht.) - Cement Fiber Board for UPS Room and electrical panel	56.25	Sq. Ft.		
	Providing and fixing both side solid partition using framing and laminate as per details mentioned in SI. No.1. The skin of the partition shall be made out of 10mm thick cement fiber board and finished with 1mm thick high gloss laminate of approved shade and scheme on the customer side (visible to customers) and 2 coats of ivory white enamel paint on the internal side (not visible from the customer lobby). The rate quoted must be inclusive of the providing one pane door for UPS room (Size - 7'-0" x 2'-9") & 2 panes door (Size-7'-0" x 2'-0" for electrical panel) or door sizes as per site requirements in combination of 6mm thk cement fibre board and 19mm thick approved block board pasted / screwed together to form a single entity and finished as per matching scheme. The block board shall be on the outer side and shall be pasted with 1.0 mm thick high gloss laminate along with matching skirting & top bands as per bank's scheme and the cement fiber side of the door shall be on the inside with 2 coats ivory white enamel paint over a coat of primer. Exposed edge of door thickness shall be finished with teakwood lipping & melamine polish.	50.25	54.12		
	Item shall include installing / affixing 12" X 6" aluminium louvers at the horizontal centre of the door panes at suitable height along with all other necessary hardwares & fittings such as 4 Nos. SS Butt Hinges (100mm long x 5.5mm thk), screws, mortise lock, brass tower bolt, SS Handles on both sides, magnetic ball catchers etc of approved makes. Note - For the purpose of contractor's payment in case of Electrical panel cabinet, only front elevation area shall be measured.				
C1g.	Flap Door (4'0" High)	#REF!	Sq. Ft.		
	Providing and fixing of flap door using 19mm thick block board of approved make laminated on both sides with 1mm thick high gloss laminate of approved shade as mentioned above. The exposed edges of the board shall be finished with melamine polished teakwood beading of appropriate thickness (enough to cover the entire exposed edges). The rate quoted must also include a vertical brass tower bolt assembly, 2 Nos. SS Butt Hinges (100mm long x5.5 mm thk), screws & magnetic ball catchers etc of approved makes. There shall be 100mm high skirting at the bottom of the door with 1mm lamination in Canara Bank Blue shade & a 100mm high top band of Canara Bank Yellow colour at the vertical top of the door so as to match the surrounding scheme.		•		
C2	COUNTERS & TABLES		<u> </u>	L	

	Providing & Fixing Box type Tables and counters of size mentioned below as per branch drawing and layout. The tables / counters are made out of 19mm thick approved MDF / block board frame work for top, verticals, apron, sides, shutters, customer top, foot rest, drawer unit with sliding drawers etc. The sides and front apron of sliding drawers shall be made out of 12.0mm thick approved MDF while backs & bottom of drawer unit shall be made with 6mm thick approved MDF. The drawer unit having overall size of 450mm width x 750mm height x 500mm depth or size approved by the bank shall be fixed on a suitable side of the table / counter as per layout. The drawer unit shall consist of 3 nos. of sliding drawers of equal height to cover the entire height of the unit & each must be 450mm deep or of size & number as approved by the bank. Each drawer shall have SS handles with multipurpose concealed lock. The drawers shall be fixed with telescopic SS sliding channels of approved make with easy push-pull mechanism.			
	A uniform 100mm high skirting shall be provided at the visible bottom of the side unit with 1.0mm thick high gloss laminate of Canara Bank Blue shade. A fixed footrest made with 1.0mm thick high gloss laminate with french polish shall also be provided at the bottom of the inside of the tables / counters at a comfortable height. The working top of ALL counters / tables shall be provided with 10mm thick clear glass on top with edges bevelled and machine finished to render smooth edges. Grooves / openings for cable managers shall also be provisioned in the table and glass along with supply & fixing of cable manager. The shape of the top glass shall be prepared / cut in such a manner that the entire surface of the working top of the table / counters should be covered by the top glass.			
	All the open surfaces of the tables / counters / drawer units shall be completely covered with 1mm thick high gloss laminates. The front apron and visible side apron(s) of the counters / tables shall be provided with 100mm top band of 1.0mm thk high gloss laminate of Canara Bank Yellow shade & 100mm skirting of of 1.0mm thk high gloss laminate of Canara Bank Blue shade. The remaning area shall be provided with 1.0mm thick high gloss white laminate. The counter / table top shall be provided with 1.0mm thick high gloss laminate of Canara Bank Blue shade. The other exposed edges shall be finished with teakwood lipping & 2 coats of melamine polish. All inner surfaces shall be finished with approved 0.8 mm thick laminate of ivory / white shade of approved make.			
	All table / counters shall be provided with sliding key board unit of size 12" X 20" made of 19mm thick approved board finished with 1.0mm high gloss white laminate and mounted with telescopic channels of approved make on the sides made out from 12mm thk approved board with 1.0mm thick high gloss white laminate. All exposed edges to be finished with teakwood beadings of appropriate size and 2 coats of melamine polish along with all other finishes / hardware / fittings etc required to complete the job.			
	For CASH COUNTER- Same as above but the cash counter shall have two working tops viz. one working top at height of 2'-6" for staff & other, the customer top at height of 4'-10" for customer use. The customer top shall be 450mm wide of length as mentioned below and shall be fabricated such that it is projected 150mm outwards i.e. towards the customer. The rate quoted must include full front portion and customer top of mentioned height and style made out of 19mm approved MDF and 1.0mm thick high gloss laminate of design as approved by the Bank, along with 12mm plain float front glass which should be 3'-0" high over and above the customer top and of required length as mentioned below. A support partition shall also be provided on top of the glass till a height of 7'-6" from the finished floor. The partition over the glass shall be made out of 19mm thk approved board finished with 1.0mm thick high gloss laminate of Canara Bank Blue shade. The front glass shall be fixed rigidly over the customer top with teakwood beadings on both sides finished with 2 coats of melamine polish. Two openings / slits shall be provided in the front glass - one opening of 300mmx150mm on the horizontal centre at the bottom of the glass and another 3" wide horizontal slit at the vertical centre of the front glass for convenient cash and voice transaction. The glass edges shall be bevelled on all exposed edges on both faces to ensure safe & smooth edges.
