The Bank/Issuer is not responsible or liable for any defect or Deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Member Establishment and failure to do so will not relieve the Cardholder against a Member Establishment who may raise a counterclaim against the Bank/Issuer.

Any purchase/availment of service and subsequent cancellation thereof (including purchase and cancellation airline/railway tickets, etc.) shall be treated as two different transactions. On receipt of refund/credit if routed through the Issuer, the actual net amount so received shall be held by the Issuer on behalf of the Cardholder free of Interest and settled against the claim made by the cardholder by crediting to the account subject to recovery of a service charge as may be fixed from time to time. The cardholder agrees that any debits received during this time will be honoured only based on the available balance in the Account/s without considering this refund/adjustment. The cardholder also indemnifies the Bank from such acts of dishonouring the payment instructions.

The cardholder shall make use of the card only for the purpose of making bonafide purchase of goods or availment of services from such Member Establishments with whom the Bank may enter into arrangement for this purpose, or such Merchant Establishment who are authorised to accept Cards with Visa/MasterCard/RuPay logo or for making 'Cash Withdrawal' within the validity period of the Card. Should the cardholder have any complaints concerning any shared cardholder with the establishment and failure to do will not relieve him from any obligations to the Bank. However, the cardholder should notify the bank of this complaint immediately.

There will be separate service charges levied for such facilities that will be fixed by the Bank from time to time and debited to the cardholder's account linked to the card at the time of making such transactions.

In the situation that the account does not have sufficient funds to debit such fees, the Bank reserves the right to deny the transaction. And the decision of the Bank is binding on the cardholder.
