Dear Pensioners,

We are happy to inform that the Indian Banks' Association, Mumbai (IBA) on behalf of Bank Managements and Workmen Unions / Officers Associations have signed X Bipartite Settlement (BPS) / Joint Note dated 25-5-2015 finalising salary revision for Workmen / Officer employees in Banks. Revised scale of 'PAY' as per X BPS/ Joint Note is effective from 01.11.2012. Accordingly, the pension of employees retired on or after 1.11.2012 are to be revised and arrears of pension and commutation are to be disbursed. Further, in respect of employees deceased on or after 1.11.2012, family pension will also to be revised and arrears of pension are to be disbursed.

In the above connection, we have communicated the matter to concerned retired employees through SMS / email registered with us and also through the Retirees Association/Federation. Pensioners who have retired on or after 1.11.2012 but before 25.5.2015 and who had opted for commutation of pension **will have an option not to claim the incremental commutation** on the revised basic pension. Such of those pensioners **who do not wish to claim incremental commutation on the revised basic pension are only required to submit an option letter as per the attachment so as to reach us on or before 25.7.2015** to enable us disburse the pension/commutation arrears to all the eligible pensioners at the earliest.

X BIPARTITE SPECIAL

Sub: Revision of Pension of employees who have retired on or after 01.11.2012 consequent upon the wage revision as per X BPS and Joint Note dated 25.05.2015.

- Wage revision of Award Staff and Officers in terms of Bipartite Settlement/ Joint Note signed between IBA on behalf of Bank Managements and Unions/Officers Associations on 25.05.2015, which also provided that w.e.f. 1st November, 2012, the 'Pay' so revised and drawn by the employees who are members of the Pension Fund shall be taken into consideration for the purpose of calculation of pension as per the Pension Fund Rules/ Regulations in force.
- We have now been advised by IBA that consequent upon the above wage revision, the pension, dearness relief, family pension, minimum pension, etc., payable in respect of those employees who ceased to be in the service on or after 01.11.2012 and eligible for pension, need to be revised subject to amendments to Canara Bank (Employees') Pension Regulations, 1995.
- Pending such amendments to the Regulations of 1995 and other legal formalities, the Bank has decided to give effect to the revised pension retaining the right to adjustments, if necessary, at a later date.
- In this connection, it may be carefully noted that on a test check of the projected revised pension structure it is observed that in cases where the pensioners have commuted a portion of the Basic Pension, the 'pension', i.e., Revised Basic Pension after commutation together with Dearness Relief, will be less than the pre-revised monthly pension (including D.R.) to certain extent as a result of giving effect to incremental Commutation on revised pension.
- Due to such reduction in monthly pension after revision, some amount out of the pre-revised pension (already paid) will become in excess over eligible revised monthly pension. Such excess amount of pension (including D.R.) already paid, over the revised pension (including D.R.) payable on revision, will be adjusted against the incremental commutation amount on revised Basic Pension and the balance of commutation difference will be paid to the pensioners. In this connection, it may be noted that commutation amount is not taxable and the pension recovered, if any, will be reduced from total pension payable for FY 2015-16 for IT calculation purpose.
- As per the said X BPS/Joint Note dated 25.05.2015, the workmen /officer employees who were in service of the Bank as on 1st November 2012 and who have retired thereafter but before 25th May 2015 and who had opted for commutation of pension, will have an option not to claim incremental commutation on revised basic pension. In this connection we have attached an Option Letter to such of those retired workmen /officer employees who have retired on or after 01.11.2012 but before 25.05.2015 and earlier opted for commutation and now not willing to claim incremental commutation on revised basic pension. Such eligible pensioners are advised to submit their option letter in the said format, so as to reach us before 25.07.2015.
 - **ONLY THOSE ELIGIBLE PENSIONERS WHO DO NOT WISH TO CLAIM INCREMENTAL COMMUTATION ON REVISED BASIC PENSION ARE REQUIRED TO SUBMIT THE OPTION LETTER. IF THE SAID OPTION LETTER DOES NOT REACH US WITHIN THE PRESCRIBED DATE FROM THE ELIGIBLE PENSIONER IT WILL BE PRESUMED THAT HE/SHE WISHES TO AVAIL THE BENEFIT OF INCREMENTAL COMMUTATION ON REVISED BASIC PENSION.**
 - **THE ELIGIBLE PENSIONERS WHO WISH TO AVAIL THE BENEFIT OF INCREMENTAL COMMUTATION ON REVISED BASIC PENSION NEED NOT SUBMIT THE SAID OPTION LETTER.**

The details in regard to the proposed revision of pension are as under:

The basic pension will be revised on the basis of the revised pay w.e.f. 01.11.2012.

For the purpose of pension revision of such employees who retired between 01.11.2012 and 31.07.2013 (i.e., whose last ten months' emoluments was governed partly by 9th Bipartite Settlement/Joint Note and partly by 10th Bipartite Settlement/Joint Note), the last ten months' average emoluments of such retired employees will be arrived at by notionally upgrading the Basic Component of 'Pay' drawn during the earlier wage revision period by 60.15%. This adjustment is required as the employees who retired from services on or after 01.11.2012, the Dearness Relief payable to them along with basic Pension shall be the dearness Relief payable over and above 4440 points in the all India CPI 1960=100.
