22. Voluntary submission of the supplementary price bid by the Architect/ Consultant/ tenderer shall not be accepted and supplementary bids shall be limited to the

details sought for by the Employer only. Any other un-related price variations furnished in supplementary price bids shall not be recognized and might be liable for rejections if undue information are furnished.

**23. Pre bid queries and clarification to Tender :**

The tenderer should carefully examine and understand the scope of works/ service, terms and conditions of the Tender and may seek clarifications, if required. The tenderer in all such cases seek clarification in writing in a word document (.doc) in the same serial order of that of the Tender by mentioning the relevant page number and clause number of the Tender. The soft copy of the pre-bid queries should be sent by E-Mail to [hoepc@canarabank.com](mailto:hoepc@canarabank.com) and the pre-bid query should be in the following format:

Sl No	Page No	Tender Clause No	Tender Clause	Query

All communications regarding points requiring clarifications and any doubts shall also be given in writing to the Deputy General Manager, Canara Bank, Technical Cell, Estate Policy & Control Section, G.A Wing, Head Office Annex, 3rd floor, Dwarakanath Bhavan, 29, K.R Road, Basavanagudi, Bengaluru – 560004 by the intending tenderers before 11:00 AM on 23.06.2021. No oral or individual consultation shall be entertained. No queries will be entertained from the tenderers after the pre-bid meeting.

**Pre-Bid meeting:**

A pre-bid meeting of the intending tenderers will be held as scheduled below to clarify any point /doubt raised by them in respect of this Tender document:

Date	Time	Video conference
<b>24.06.2021</b>	<b>11.30 Am</b>	<b>Video conferencing using MS Team</b>

Bidders intending to participate in the pre bid meeting should sent their request in this regard to the mail: [hoepc@canarabank.com](mailto:hoepc@canarabank.com) so that Bank can send the link for the meeting to the mail ID of the bidder.

No separate communication will be sent for this meeting. If the meeting date is declared as a holiday under NI Act by the Government subsequent to issuance of RFP, the next working day will be deemed to be the pre-bid meeting day. Authorized representatives of interested tenderers shall be present during the scheduled time.

The Bank will consolidate all the queries and discussions during the pre-bid meeting and the consolidated replies for the queries shall be made available in the Bank’s website and no individual correspondence shall be made. The replies/clarification of the Bank in response to the queries raised by the bidder/s, and any other clarification / amendments / corrigendum furnished hereof will become part and parcel of the Tender document and it will be binding on the tenderers.

Non-reply to the queries raised by any of the Tenderer shall not be accepted as a valid reason for non-submission of the Tender. In addition, non-reply to any query may not be deemed the version of the Tenderer as reflected in the query has been accepted by the Bank.

**24. Amendment to Tender document :**

At any time prior to deadline for submission of Tender, the Bank, for any reason, whether, at its own initiative or in response to a clarification requested by prospective bidder may modify the Tender document by amendment. Notification of amendments will be made available on the Bank's website ([www.canarabank.com](http://www.canarabank.com)) and will be binding on all tenderers and no separate communication will be issued in this regard. In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tender, the Bank, at its discretion, may extend the deadline for a reasonable period as decided by the Bank for the submission of tender.

**25. Digital Signature:**

For the purpose of participation in e tender, the intending bidders must have a valid digital signature, active e mail ID and PAN Number. Any intending bidders presently not having digital signature may procure it from any registering Authority (Certified by the Government of India) issuing of such signature.

\*\*\*\*\*

### D. METHOD OF EVALUATION OF TENDER

**SUBJECT:** Selection Of Architect For Façade Treatment At Canara Bank, Head Office Building, No: 112, J C Road, Bengaluru – 560004.

1. The technical bids of the applicants will be evaluated against the stipulated eligibility criteria of the Bank. Compliance of all the stipulated criteria is mandatory. Further evaluation & shortlisting will be carried by the following scoring method on the basis of details furnished by them. The minimum qualifying points shall be 70.

SN	Criteria	Maximum Points
a)	Experience in qualifying works during last 5 years	10
b)	Experience in works undertaken for Central/ state government/ PSU / Banks during last 5 years	10
C)	Schematic Design in 2D/ 3D with detail drawing with sketches/ colours combination with brief detail of materials to be used at proposed site.	30
c)	Evaluation on site visits of the qualifying works work carried out by the Architect	30
d)	Organizational set up including staff strength, infrastructural facilities (Details to be attached) Consultant / Associated including in-house capabilities for various services (Details to be attached)	10
e)	Base at Bengaluru	10
	<b>TOTAL</b>	<b>100</b>

2. The short-listed bidders will have to give detailed presentation of their proposal i.e the Technical details (plans, elevations, perspective views /simulated 2D/ 3D images & salient features etc) along with tentative estimation before the evaluation committee consisting of Top Management of the Bank at Bengaluru. Timeline for above task will be maximum 10 days from the date communication on shortlisting from Bank.
3. The design includes materials to be used like ACP, glass and natural stone etc. The proposed design should support the structural stability of the building and the architect should provide Structural stability certificate from certified structural engineer at their own cost.
4. The technical details submitted with the offer & Presentations from responding Architects will be evaluated and assessed by the Selection Committee of the Bank to rate their design on the basis of adherence to the Banks requirements (detailed in Part B of these documents), functional adequacy, efficiency of planning, aesthetics, speed of construction and cost effectiveness, economy as per the following scoring criteria:

Sl. No.	Criteria	Points
Design concept for the building façade treatment work consisting of 3-D Images and drawings based on the below:		
a)	Main thematic vision, Originality of the concept, Aesthetics and innovation	30
b)	Colour combinations suitable to Bank present Logo/ Mission/ Vision etc.	20
c)	Project tentative cost, Quality and Efficiency of design & Theme	20
d)	Speed and ease of execution of work	10
e)	Sustainability, ease and cost towards maintenance	20
Total Marks		100

4. The Financial bids will be opened only in respect of bidders who have scored more than 70 points in evaluation of their technical details & design presentation on a pre-notified date & time.
5. The merit rank and the fees quoted will be taken into account for the final selection of the bidder with weightage of 80% for the merit ( ie technical details ) and 20% for the Fee quoted. The weightage will be applied as per the example given below:

**Example:** Let us assume 3 participating Architects scoring more than 70 scoring points in the design competition (technical bid) and their quoted fee is as under:

Sl. No.	Description	Scoring points awarded by the Evaluation Committee	Fee quoted by the agency (Amount in lakhs of Rs. )
1	Architect A	85	3.5
2	Architect B	80	2.5
3	Architect C	75	3.0

The maximum scoring points i.e 85 scoring points will be given 100 percentage and percentage of the other Architects will be worked out on proportionate basis and thereafter weightage of 80% will be applied on marks so obtained. Similarly the minimum fee i.e Rs. 2.50 lakhs will be given 100 percentage and percentage of the other Architects will be worked out on proportionate basis and thereafter weightage of 20% will be applied on marks so obtained. The marks so obtained by all the Architects will be added and the Architect scoring maximum marks will be considered for appointment.

<b>Marks obtained by Architect A – <math>(85 / 85) \times 80 + (2.50/3.50) \times 20 = 94.29</math> marks</b>
<b>Marks obtained by Architect B – <math>(80 / 85) \times 80 + (2.50/2.50) \times 20 = 95.29</math> marks</b>
<b>Marks obtained by Architect C – <math>(75 / 85) \times 80 + (2.50/3.00) \times 20 = 87.25</math> marks</b>

As per the weightage, the Architect B gets the maximum over all marks and will be considered for appointment on the basis of overall marks.

6. The decision of the Bank in selection of the Architect shall be final and binding on the participating applicants.
7. All those Applicants who have submitted both their technical bids and financial bids and who are found eligible and qualified for financial bid opening (ie scoring 70 points are more in the Design Presentation) by the Technical bid evaluation committee, except the one who is finally selected for award of Architecture /consultancy work for the project, will be paid a lump sum amount of Rs. 1,00,000/- (Rupees. One Lakh only) as token of compensation for the services rendered.

\*\*\*\*\*

The services shall be provided, all in accordance with true intent and meaning, regardless of whether the same may or may not be particularly described, provided that the same can be reasonably inferred there from. There may be several incidental services & assignments, which are not mentioned herein but will be necessary to complete the work in all respects. All such incidental services/assignments thereof which are not mentioned herein but are necessary to complete the work shall be deemed to have been included in the rate quoted by the consultant. Nothing extra shall be payable beyond the rate quoted by the Architect.

#### **8. COMPLETION STAGE:**

- (a) Certify the final completion of work
- (b) Advise Bank on changes, if necessary, for technical reasons.
- (c) Prepare 'as built' / completion drawing, including 1:100 scale plans, elevations and cross sections, services etc., indicating the details of the building, as completed, and supply 4 sets of completion drawings in A-1 size to the Bank and also hand over the originals of the completion drawings to the Bank. One soft copy in CD after the completion drawings shall also be submitted. The changes, if any, during execution of work will be intimated by the Bank to the consultant for preparation of above drawings. Provide identification marks on service installation, cables, wires etc., for easy identification.

## 9. CONSTRUCTION MANAGEMENT AT SITE:

Provide one **full time ON-SITE** site engineer for site supervision and inspection of the works. The Consultant shall employ experienced and qualified site Engineer at site to ensure that the Contractor executes the works strictly in accordance with the contract, working drawings, specifications and as per time plan. The duties, responsibilities & powers of site Engineer are as detailed below under **clause (10)**. The Consultant shall furnish the details of credentials of the site engineers to prove the academic & experience records of the site engineer engaged by him to Bank, for prior approval of the bank.

## 10. SITE ENGINEER RESPONSIBILITIES, DUTIES & POWERS

### (A) ROLES AND RESPONSIBILITIES

The Site Engineer is responsible for the following:

- a) Obtaining working drawings from the Consultants and implementing the same after getting them approved by the competent authority.
- b) Ensuring that architectural/structural/working and other details are made available at the site before the need for them arises.
- c) Ensuring that samples of building materials used in construction, workmanship, finishes and fittings are approved by the Architect and that their display and safe custody at site are arranged.
- d) Ensuring that the work progresses smoothly. bottlenecks anticipated and effectively removed with the aim of successfully completing the project within the time schedule.
- e) Coordinate the works of general building contractor or an appropriate work agency engaged in works.
- f) Ensuring that decisions on various aspects in connection with site works are obtained from Architect well in advance of the actual commencement of the items of work by the contractor including any addition to, or alteration of, substitution to or deletion of or any item or part thereof with or without the incidence of extra items.
- g) Ensuring that instructions received verbally or in writing from the Architect are properly complied with. It shall also be seen that verbal instructions given by visiting officers are confirmed in writing by the concerned officers.
- h) Ensuring that floors under construction are not overloaded with stacks of material or plant.
- i) Ensuring that holes for anchors/conduits/pipes are left in masonry or concrete at appropriate time and anchors/conduits/pipes are embedded or built in as required.
- j) Ensuring that partially constructed work is cased in or protected from damage.
- k) Keeping the Bank informed of the site events once a week.
- l) Maintaining good and healthy relations with and between the various contractors/agencies working at site.
- m) Ensuring that all operations are carried out with complete safety to life and property.

- n) Maintaining safe custody of site records and office equipments.
- o) Supervise the works to ensure that the works executed by the contractors are as per contract.

### **(B) DUTIES OF SITE ENGINEER**

The duties of the Site Engineer are as follows:

- i) To make a thorough study of contract documents, drawings and other details so as to bring out ambiguities/discrepancies between them and to obtain clarification from the Architect well in time to avoid delays.
- ii) To render a certificate to the Architect to the effect that he has studied the contract documents, drawings and specifications.
- iii) To take charge of objects of value and antiquity found on site or in excavations, immediately, after their discovery, to hold them in safe custody and to hand them over to the Architect of the Bank for further action.
- iv) To approve the foundation strata when the appropriate depth of excavation is reached in consultation with the architects.
- v) To ensure that the quality of materials and workmanship as laid down in the contract is maintained and the accuracy of dimensions shown on drawings is attained in the construction.
- vi) To watch the validity of the permission issued by the Local Authority and to ensure that the revalidation, if necessary, is obtained well in time.
- (vii) Maintain the under noted records at the site of work:
  - (a) Daily Progress Record.
  - (b) Site Order Book
  - (c) Instruction by Bank's Officers.
  - (d) Materials receipt register.
  - (e) Register of Drawings and Working details.
  - (f) Log Book of Defects.
  - (g) Hindrance Register giving details of commencement and removal of each hindrance.
  - (h) Dismantled Materials Accounts Register.
- (viii) To record measurements of completed work jointly with the contractor, record measurement of all concealed items before concealing, take pre-measurement of items of dismantling and to process them in running account bills and maintain safe custody of the measurements books.
- ix) To receive running account bills from the contractor and to forward them after checking, to the Architect with his comments and recommendations and accompanied by all supporting documents.
- x) To submit the Progress Report fortnightly to the Architect & Bank.
- xi) To prevent contractor from proceeding with any work on which the contractor has got intentions of raising claims of extra/deviated items, until the Architect approve the work to continue.

- xii} To receive the Final Bill from the contractor, to check it, and forward it with his comments and recommendations to the Architect with all the supporting documents duly attached.
- xiii} To submit the final summary of costs for the project to the Architect & to Bank..
- xiv} To submit to the Architect authentic information on and the under noted records pertaining to the completed work in order to enable the Architect to finalise them in the due course.
  - (a) Record ie., as completed drawings.
  - (b) Record of Standard Measurements for periodical services.
  - (c) Inventory of fittings and fixtures.

### **(C) POWERS OF SITE ENGINEER**

Powers that Site Engineer can exercise without reference to higher authority (but of which he shall make contemporary note in Daily Progress Record and/or Work Site Order Book and keep Architect informed) are as follows:

- i} To give direction to the contractor on construction of pillars for centre-lines of layout and benches for ground floor level.
- ii} To give notice to the contractor about the use of sub-standard materials and workmanship and warn him that the work is liable to be suspended until such defects are rectified.

**N.B.** the notice should also state that all work done subsequent to the defective work pointed out shall be liable to be pulled down and rebuilt to the satisfaction of the Site Engineer.
- iii} To caution the contractor for work carried out in the absence of supervision.
- iv} To issue notice to the contractor to suspend work during inclement weather and in circumstances where working would be dangerous to life and property.
- v} To prevent overloading of floors of building under execution and to take appropriate steps for support.
- viii} To intimate to the contractor that he intends to measure up the work.
- ix} To issue interim certificate (running account bills) for the value of work done and unfixed materials at site and to effect recoveries for the Bank's materials, jointly with the Architects.
- x} To certify expenses incurred by the Bank for rectification of contractor's defective work, when the later defaults in doing so, and recovering the same from the contractor's bill.

### **11. ARCHITECTURAL AND SUPERVISION FEE:**

The Architect shall quote their fees for the professional services towards the Architectural fees, supervision fees & statutory approval charges in the Proforma-E (Financial Bid) of this Notice Inviting the Offers (NIO).

The fees quoted by the Architect shall be inclusive of fees payable by the Architect to the site engineers salary during the execution of the works and other incidental expenses, nothing extra shall be payable by the Bank.

The fees payable to the Architect shall be in full discharge of functions to be performed by the Architect, site engineers and no claim whatsoever against the Bank in respect of any proprietary right or copy right by the consultant or any other party will be entertained. The Architect shall indemnify and keep indemnified the Bank against all cost and expenses paid by the Bank in defending such claims.

Architect's fee is also inclusive of responsibilities of carrying out modifications, additions in approved designs and drawings, if any, required during execution of work due to site conditions or any other reason.

The fee quoted should include all these services and Bank shall pay only statutory payments to be made to the statutory/local authorities against demand from of such authorities or reimburse the same to the Architect on production of receipts paid in the name of the bank. The bank may make payments directly to the statutory authorities on demand or on production of receipts towards application fee, deposits and service charges etc. issued by statutory authorities. The fees quoted should include all the above services and it shall also include all miscellaneous and incidental expenses to be incurred for getting approval, NOC's.

The fee quoted should include all the services detailed in clause (10) above and all miscellaneous, incidental expenses and compliance of the conditions detailed in this NIO.

The quoted fee is inclusive of all statutory taxes except GST. Income tax as payable as per statutory orders / laws shall be deducted at source. TDS certificate shall be issued for such deductions.

All running / stage Payments made to Architect are on account and shall be adjusted against final fee payable. The running / stage payments will be calculated on the basis of the latest available estimates or accepted tendered cost. The final installment of the fees shall be adjusted on the basis of the actual cost of the works subject to the ceiling after deducting the previous payments. For claiming the payment Architect shall submit necessary bills in duplicate. Payments due to Architect will be made within one month of submission of bills of the corresponding stage subject to satisfactory performance.

The Architectural fee quoted is inclusive of and **extension of time** permitted for the works or delay in completion of the works by the contractors.

No extra charges shall be paid as a supervision fees and the same borne by the architect.

## 12. STAGES OF PAYMENT OF FEE:

Stages of payment for the Architectural services is as detailed below:

Sl. No	Stage wise	Percentage of the total fee payable
01	On satisfactory completion of preliminary, sketch drawings and Budgetary cost estimates	20 %.
02	After obtaining permission from Bank and preparing tender, tender evaluation and on finalization of contractor	30 %.
03	During execution of work and completion of more 60% of works on site	20 %
04	On 100% completion of work including certification of contractor/ agencies	30 %
<p><b><u>Note: The above payment stages will be arrived and paid to the successful Architect as per Bank discretion on satisfactory completion of each stages.</u></b></p>		

13. **SECURITY DEPOSIT:** An amount equivalent to 5% of the total amount payable to the Architect shall be deducted progressively from each bill, in addition to the adjustment honorarium paid from the 1<sup>st</sup> bill the, if any, towards security deposit for fulfilling the terms of contract faithfully and honestly. The security deposit will be refunded after the completion of the guarantee period detailed under clause 18.

## 14. ADDITIONS AND ALTERATIONS:

- (i) The Bank shall have the right to request in writing changes, additions, modifications or deletions in the design and drawing of any part of the work and to request in writing additional work in connection there with and the Architect shall comply with such request provide necessary services for completion of such works.
- (ii) That if the Bank deviates substantially from the original scheme which involves for its proper execution extra services, expenses and extra labour on the part of the Architect for making changes and additions to the drawings, specifications and other documents due to rendering major part of whole of his work in fructuous, the Architect may then be compensated for such extra services and expenses on quantum merit basis at percentages applicable under this agreement and to be determined mutually unless such changes, alteration are due to Architect own omission and / or discrepancies including changes under clause (7 & 8). The decision of the Bank shall be final on whether the deviations and additions are substantial as requiring any compensation to be paid to the Architect. However for the minor modification or alteration which does not affect the entire design, planning etc., no such amount will be payable.

- (iii) If it is found after call of tenders that the tender is not within the sanctioned amount, the Architect shall if so desired by the Bank take steps to carry out the necessary modifications in the design and specifications to see that the tendered cost does not exceed the amount of corresponding sanction by more than 10%. The Architect shall not be paid anything extra for such modification. If the Bank is convinced that the trend of market rates is such that the work cannot be done within the amount of sanctioned estimate, the Architect shall submit a revised estimate expeditiously for obtaining sanction of the competent authority.
- (iv) The Architect shall not make any material deviation, alteration, additions to or omission from the work shown and described in the contract documents except for structural safety and emergencies, without first obtaining the written consent of the Bank.

## 15. TIME SCHEDULE ::

Commencement of work:: The commencement of services will be considered from 7<sup>th</sup> day after the date of issue of award letter to the Architect and the following works are to be carried out as per below time schedule:

- Initial detailed drawing within 10 days
- Revision in drawing, BOQ as per Bank requirements within 7 days.
- Architect should provide PERT Chart indicating various stages activity proposed at site.
- Full time Site supervision to be carried out by qualified site engineer and the same to be appointed by the Architect.
- Progress of the work to be reported to the Bank along with photographs on weekly basis.
- If any work delay against stipulation in the PERT Chart, the same should be reported to the Bank along with the reasons and remedies.
- Certification of running bills submitted by the contractor within 7 days.
- Final bills to be certificated within 2 weeks from the date of submission of bills by the contractor.

16. **LIQUADATED DAMAGES:** The time allowed for carrying out the work as specified in clause 15, shall be deemed to be the essence of the contract on the part of the Architect. The work shall throughout the stipulated period of the contract be processed with all diligence and in the event of failure of the Architect to complete the work within time schedule as specified above or subsequently notified to him, the Architect shall pay as compensation amount equal to 0.5 (half) per cent or such smaller amount as the Bank may decide on the total fee payable for every week that the work remains unfinished after the specified date subject to a maximum of 10%.

**17. EXTENSION OF TIME:**

If the Architect's work is unavoidably hindered in carrying out the designs / drawings on account of delayed decision or the approval by the Bank which are necessary to carry out further work beyond the time specified under clause- 15 above, he shall be allowed suitable extension of time by Bank, whose decision shall be final and binding on the Architect. No claim of any kind shall be entertained from the Architect for such delayed approvals/decisions by the Bank, except request for suitable extension of time.

**18. GUARANTEE**

The architect shall agree to redesign at his cost any portion of his engineering and design work, which due to his failure to use a reasonable degree of design skill shall be found to be defective within one year from the date of completion of the work. The Bank shall grant right of access to the Architect to these portions of the work claimed to be defective, for inspection.

The Bank may make good the loss by recovery from the dues/security deposits of the Architect in case of failure to comply with the above clause.

**19. RESTRICTION / SUSPENSION:** The Bank reserves the right of restricting the Architect's services at any stage and make other arrangements for continuing the balance services after withdrawing such services from him or suspend the work.

The Bank shall have the liberty to omit, postpone or not to execute any work and / or any item of work and the Architect shall not be entitled to any compensation or damages for such omission, postponement, or non- execution including whole of project of the work and / or any item of work, except the fees which have become payable to them for the services actually rendered by them.

**20. TERMINATION OR RECESSION OF AGREEMENT:**

The Bank without any prejudices to its right against the Architect in respect of any delay or deficient service by notice in writing absolutely determine the contract in any of the following cases;

1. If the Architect being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a (Manager on behalf of the creditor shall be appointed or if circumstances shall arises which entitle the court or the creditor to appoint a receiver or Manager or which entitles the court to make up a winding order.
2. If the Architect is not pursuing the project with due diligence within the time lines committed or commits breach of any of the terms of the agreement and when the Architect has made himself liable for action under any of the cases aforesaid the Bank shall have powers:
  - a. To determine or rescind the agreement
  - b. To engage another Architect to carry out the balance work debiting the Architect the excess amount if any so spent.

In the event of the termination of the agreement by the Bank the Architect shall not be entitled to any compensation or damages by reason of such termination, but only to the fees for the service actually rendered, which have been duly approved by the Bank. The decision of the Bank as regards the actual work/ service done and the amount of the fees due to the Architect on the basis of actual service /work done shall be final and binding on the Architect. The Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect .

The Architect shall promptly notify the Bank of any change in the constitution of his firm. It shall be open to the Bank to terminate the Agreement on the death, retirement, insanity or insolvency of any person being Director in the said firm, or on the addition or introduction of a new Director. But until its termination by the Bank as foresaid, this contract agreement shall continue to be in full force and effect, notwithstanding any changes in the constitution of the firm by death, retirement, insanity or insolvency of any of its Director or addition or introduction of any new Director. In case of death or retirement, the surviving or remaining Directors of the firm shall be jointly and severally liable for the due and satisfactory performance and for compliance of all the terms and condition of this contract agreement.

## **21. ABANDONMENT OF WORK:**

That if the Architect abandons the work for any reasons whatsoever or becomes incapacitated from acting as aforesaid, the Bank may make full use of all or any of the drawings & details prepared by the Architect and that the Architect shall be liable to refund all the Excess fees paid to him up to that date plus such damages as may be assessed by the Bank subject to a maximum of 10% of the total fees payable to the Architect under this agreement. Further the Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect.

Provided, however that in the event of the termination of the agreement being under proper notice as provided in the clause hereinafter, the Architect shall be liable only to refund any excess payment made to him over and above which is due to him in accordance with the terms of this agreement for the services performed by him till the date of termination of agreement.

If the Architect closes their business or abandons the work or if this agreement is terminated as provided for in clause 23 hereinbefore, the Bank shall be entitled to make use of all or any drawing(s), designs or other documents prepared by the Architect.

## **22. ARBITRATION**

That if any dispute, difference or question shall at any time arise between the parties in respect of the meaning or construction of this agreement, or covering anything therein contained or arising out of this agreement, or the validity of the enforcement thereof which cannot be settled mutually, shall within 30 days ( or such longer period as may be mutually, agreed upon) from the date one party informs the other in writing that such dispute or disputes or disagreement exists, be referred to sole arbitration by a person selected by the Architect out of the panel of three names supplied by the

Bank and appointed by The General Manager, General Administration Wing within 30 days from such selection by the Architect.

The arbitration proceedings will be conducted in accordance with and be subject to the Indian Arbitration Act 1996 as amended from time to time and the decision of the arbitrator shall be final and binding on the parties.

The Arbitrator will have his seat at Bengaluru or at such places in India as decided by the appointing authority. The Arbitrator may, with the written consent of the parties, extend time for making and publishing the award.

The Architect shall continue to perform his duties with diligence notwithstanding the fact that the dispute has been referred to Arbitration or any dispute or difference has arisen.

It is also the term of the agreement that if the Architect does not make any demand for arbitration in respect of any item in writing within 90 days of receiving intimation from the Bank that the final bill is ready for payment, the claim of the Architect will be deemed to have been waived and absolutely barred and the Bank shall be discharged and released of all liabilities under the agreement in respect of these claims.

### 23. OTHER CONDITIONS:

- a) The Bank may have the details & designs submitted by the architect inspected at any time by any officer nominated by the Bank / any external agency who shall be at liberty to examine the records check estimates, structural designs, drawings etc. The above inspections by bank, does not absolve the Architect of his responsibility. The Architect shall remain solely responsible for all the services rendered by him.
- b) The Bank or any officer nominated by Bank will have the liberty to meet Architect and / or his associate Consultants at mutually agreed meeting time and shall be at liberty to inspect and examine their records and designs in their office.
- c) The design shall be based on National code of practice and design norms, IS codes and other sound engineering practices. Two sets in hard copies, along with a soft copy in CD, of design Civil, Structural, Electrical and all other services shall be submitted to the Engineer-in-Charge for proof checking / vetting.
- d) Green building features to the extent possible shall also be incorporated in the design of the buildings .
- e) Architect shall ensure timely flow of working drawing / instructions. He shall ensure that there is no delay in the execution of work on account of supply of design, drawings and details.
- f) Architect shall interact with one or more proof consultants appointed by the Bank, hold discussions with the proof consultants, make necessary changes in the drawings as per mutual discussions and decision by the Bank and shall submit brief report covering major points of discussions to the Bank.

- g) Rendering every assistance, guidance and advice in general to the BANK on any matter concerning the technical aspects of the projects.
- h) The Architect will function as part of the team for the project. The Architect shall prepare design/drawings keeping in view the economy and aesthetic considerations.
- i) The Architect shall be fully responsible for all the services including the technical soundness of the designs and shall assume full responsibility for the design and furnish a certificate to that effect including for the services rendered by their associate consultants and specialist engaged, if any, by him and also ensure and give a certificate at every stage.
- j) The Architect hereby agrees that the fees to be paid as provided herein (clause 10) will be in full discharge of function to be performed by him and no claim whatsoever shall be against the Bank in respect of any proprietary rights or copy rights on the part of any other party relating to the plans and drawings, except as provided. The Architect shall indemnify and keep indemnified the Bank against any such claims and against all cost and expenses paid by the Bank in defending itself against such claims.
- k) Notwithstanding the completion of the work as per Agreement entered hereto, the Architect agrees and undertakes the responsibility to suitably reply to the Bank's queries that may be raised by any authorised inspection agency of the Bank or the Government of India.
- l) Assist the Bank in arbitration, litigation case that may arise out of the contract entered into in respect of the above work with the contractors .
- m) In case it is established that due to fault of Project Architect or external agencies / consultant appointed by the Architect, if the Bank has to pay any extra amount due to over-run of the Project, or any other lapse on the part of project architect necessary recovery may be effected from the Project Architect/Consultant's fees as per provision of Section 73 of Indian Contract Act 1872 under section 30 of Architects Act 1972 (Central Act No.20 of 1972) and/or project Architect/Consultant may be debarred from employment for specified period and/or black listed depending on gravity of the lapses on the Project Architect.

n) If work carried out by the Project Architect or consultants appointed by Architect is found to be sub-standard or un-duly delayed on his account, the bank shall report to IBA, the misbehavior of the Project Architect and IBA in turn may inform all the member banks, after examining veracity of the Bank's version, not to deal with such Project Architect by way of punishment to him"
